DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 8-14 are rejected under 35 U.S.C. 102(b) as being anticipated by Kober et al (Kober).

Kober's Fig. 1 shows a signal processing system including a first means for receiving a signal (antenna 50) and providing in-phase and quadrature signals (the outputs of the multipliers), second means for filtering (filters 58 and 59) and third means for generating nulling and beamsteering weights (correlating device, 70 and rake processor, 82, note column 4, lines 11-37).

Claim Rejections - 35 USC § 112

3. Claim 9 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The phrase "said signals" lacks clear antecedent basis.

Specification

4. On pages 3 and 4 the referencing of Figs. 1, 1A, 3 and 5 is inconsistent with the labeling of the Figs. in the drawings.

Drawings

5. It appears that Fig. 2A should be labeled "Prior Art".

Allowable Subject Matter

6. Claims 1-7 and 17 are allowed.
7. Claims 15 and 16 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

8. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David H. Malzahn whose telephone number is (571) 272-3727. The examiner can normally be reached on M-Th from 7:30 to 6:00.
